

Instructions:

1. Click on File -> Make a copy

Include your IPO Chart with your code in Eclipse IDE: We will discuss and demonstrate this in the computer lab.

IPO CHART

| | | |
|---|---|--|
| Program name: | [groupingassignment.java] | |
| INPUT | PROCESS | OUTPUT |
| Hint: What will the user input? | Hint: What is the program going to do with the input information? | Hint: What will the screen display after user input? |
| [The system will prompt the user to input their first and last names.] | [The system will process the user's first letter of their last name and decide if it belongs to group 1, 2, or 3 If the first letter of the users last name ranges from 'a' - 'i' then they belong in group 1 if they are from 'j' - 's' then theyre group 2 and everything else is group 3] | [The system will print out a message regarding which group they belong to ex : "Please input your first name: JUSTIN Please input your last name: FUNG JUSTIN FUNG You are in group 1"] |
